

COTSWOLDS CAMPSITE at HOLYCOMBE

EVACUATION PROCEDURE FOR FIRE or FLOOD

If you see a fire which is dangerously out of control (or the potential for dangerous flooding) please contact the owners on: 01608 684239, 07974 080013 or 07908 091769. For any sort of fire whether vegetation, tents, cars, vans, Glamping Units &c.

Phone 999 for the fire service & deploy the nearest Fire Extinguisher in whatever order is appropriate.

A map showing the location of fire-extinguishers and water stand-pipes is given below.

If you need to draw attention to the situation with other campers please use the bell in the camping kitchen.

Campers should be advised (by you, or the management if on site) to leave the site quickly, leaving or removing their possessions depending on the urgency. Leave either by the Campsite Entrance or down hill past the house, whichever is safest.

In a serious emergency do not attempt to reenter the site until told it is safe by the emergency services or owners. Do not attempt to collect your items as you may endanger yourself in the process.

Do not move any vehicles in a serious emergency unless instructed to and it is safe.
